

Kiwi 16

Kiwi varieties

In less than 20 years, this fruit has conquered the entire world. In order to grow and thrive, it needs a lot of sunshine, a mild climate, sandy ground and frost just before harvesting. Since harvesting times vary in the various growing areas, kiwis area available all year round.

The main varieties are: „Hayword“, „Bruno“, „Abbot“, „Monty“.

Growing areas

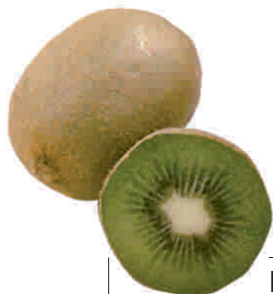

New Zealand, Australia, California, South Africa, Chile, Israel, Italy, France, Spain, Greece
